Arm Yourself

Move over statement bangles, there's a new accessory in town

Bling bangle, check!
Gouture cuff, check!
Vaccine against cervical cancer? Yes, you heard right. If you're 18 years old or younger, it's time to arm yourself with this season's must-have accessory – the HPV vaccine against cervical cancer.

The vaccine helps to protect you against two strains of the human papillomavirus (HPV) which can lead to cervical cancer – a very serious and potentially fatal disease – and can help to keep you protected for years to come, so it's well worth having.

Want to know where you can get your hands on it? The vaccine is available through your local GP surgery, school or college and you will need three doses of the injection over around a six-month period.

The HPV vaccine is currently available for girls aged between 12-18* on the NHS. So make sure you're quick off the mark and get yours while you are still eligible. And, unlike this season's 'it' bag, it's completely free!

Visit www.nhs.uk/hpv or call the HPV information line on 0845 602 3303* to find out more.

 **Arm against cervical cancer**

ART SCHOOL COOL

BY GRACE HUMPHRIES

Grace, 22, has attracted masses of fans through her Tumblr and assisted at shows including Ashish and Sass & Bide. She took inspiration from '90s hip-hop for her designs, using Ciate's new Chalkboard and Foil ranges.

Summer tip 'These foils are so easy to do, just layer different colours for a fun effect.'

@NailedbyGrace, nailedbygrace.tumblr.com

DIY CAMO FOILS

1. START BY APPLYING A BASE COAT
2. PAINT TWO COATS OF THE CIATE BLACKBOARD POLISH ON EACH NAIL
3. ADD A MATTE TOPCOAT AND LEAVE TO DRY
4. CUT MINI STRIPS OF THREE CONTRASTING FOIL COLOURS
5. APPLY DOTS OF ADHESIVE TO THE NAILS. LAY THE FOIL OVER THE NAIL AND PRESS
6. THEN REMOVE THE FOIL STICKS TO THE ADHESIVE

THE KIT

Ciate Limited Edition Very Colourful Manicure in Wonderland **£10 NIXARD**
Nail Art Pro **£2.99** for set of 5 (amazon.co.uk) Ciate Chalkboard Manicure Set (coming soon)
