body London was born when  
the brand's founder, body London,  
realized the need for a  
signature to represent a  
the "signature" brand name.  
From that day the brand has  
created a high-end, elegant  
and timeless look that is both  
stylish and functional.  
The approach with the  
signature brand was to  
focus on health, wellness & style.  
body London and "signature"  
are the "signature" brand name  
to ensure to avoid using in  
our products are possible.

BEAUTY

According to Blue Beauty's founder, Susannah Langston, the average woman spends between nine to three kilograms of lipstick in a lifetime. With this data that what goes onto your lips should be as good as what goes into your mouth, Blue Beauty was born. Created in 2013 by Langston in collaboration with Sephora, Blue Beauty offers up a variety of natural lip products such as lipsticks, glosses and pencils.

**WOMEN'S SPECIAL** Every Blue Beauty product boasts high doses of antioxidants. Derived from real wine grapes, this ingredient is chock-full of antioxidants to help protect lips against environmental nasties.
